POWERBALL™
PUMP ACTION BALL BLASTER

8 POWER STRIKE® ROUNDS

SET-UP INSTRUCTIONS

1. Locking Blaster

- With blaster pointing to the front, press down Trigger Lock on left side of blaster. Squeeze Trigger to ensure that blaster has been locked.
- To unlock Blaster, press Trigger Lock from the other side.

2. Loading Power Strike® Rounds

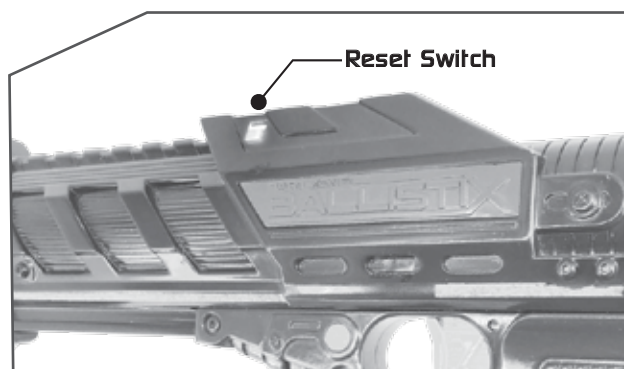

- Ensure blaster has been locked.
- Lift Hopper Lid and insert Power Strike® Rounds. Do not insert more than 8 rounds, or blaster will jam. Close Lid.

3. Removing the Hopper

- Press down on the Hopper Release Switch, and lift Hopper.
- To install Hopper, insert into opening until it clicks into place.
(Note:- Hopper opening can accommodate magazine tubes from other leading brands.)

4. Launching Power Strike® Rounds

- Unlock blaster.
- Pull Tactical Grip back all the way, and push forward again.
- Squeeze Trigger to launch a round.
(Note:- An incomplete sequence will release two rounds into the firing chamber, and cause the blaster to jam.)

5. Clearing a jammed round

- Lock Blaster.
- Remove Hopper.
- While pushing the Reset Switch upwards, pull back the Tactical Grip and push it forward again. This will release the jammed round (See diagram).
(NOTE:- Always lock Blaster when not in play.)
